YMCA Financial Assistance Open Door Policy

The YMCA of the Golden Crescent is a non-profit, health and human services organization committed to helping people reach their full potential in spirit, mind, and body. YMCAs are here to serve people of all ages, backgrounds, abilities, and incomes. The YMCA is community based and believes that its programs and services should be available to everyone. That's why the YMCA offers an Open Door program. The Open Door program is a sliding fee scale that is designed to fit each individual's financial situation. The YMCA believes a strong sense of ownership and pride is developed if the recipient has contributed to the cost of their YMCA involvement; therefore, you will be asked to pay some portion of the fees. If acceptable, a volunteer program will be arranged.

The funds available for the Open Door program are made possible through the generosity of our members and donors in the Friends of Youth annual fundraising campaign.

The YMCA of the Golden Crescent requires that individuals provide the requested information on the attached form regarding income, family size and necessary expenses so that it can provide financial assistance in a fair and consistent manner. Of course, all information will be kept confidential. The YMCA also requires that you reapply when requested to keep the information on the application up to date. Assistance will be reviewed for eligibility minimally after a six-month period for programs and at least annually for memberships.

Your fees are subject to increase when you reapply. If you do not reapply when requested your enrollment may be terminated.

To process your application, we will need the following information:

- Copy of your last two pay stubs Or a copy of your last years tax return
- Copy of social security or disability checks (if applicable)
- Documentation of any Federal Assistance (ex: food stamps, rent subsidy, or AFDC).
- Documentation of child support

If you are applying for assistance for Prime Time or Summer Camp you **MUST** apply first for CCMS funds. You can contact them at (361) 578-0341.

The YMCA Executive Director, based on a thorough review of the application, will determine financial assistance eligibility. Please allow 2 weeks to process your application. You will be notified by mail within 2 weeks if your application has been approved or if you need to submit additional information. Scholarships will be awarded on a first come first serve basis, subject to resource availability.

All YMCA members receive the same membership benefits, regardless of whether or not they are receiving assistance. YMCA members can feel great knowing that they are involved in an organization that cares greatly for the health and well-being of people and is committed to building strong kids, strong families, and strong communities.
