

FRIEND OF YOUTH ANNUAL CAMPAIGN YMCA OF THE GOLDEN CRESCENT

2020 was certainly a year to forget. But we need to make sure that we don't forget the good that came out of 2020 and the pandemic.

The Y had to pivot from our normal day to day operations when we closed from March 20-May 18. We developed a new normal as we remained dedicated to our members and local families by providing childcare for essential families and on-demand fitness classes to the community via Facebook Live. We had to operate with less staff but still maintain a high level of service.

We are excited to see things slowly returning to normal but the Y needs your support now more than ever. Help us continue to provide the much needed programs for our neighbors. We cannot do it without you.
