Dear Valued Member,

The Y strives to have a positive impact on our membership by living our cause to strengthen this community. That's why we're here working with you every day making sure that you, your family and community have the resources and support you need to grow, achieve and thrive. On behalf of the Barbara Bauer Briggs Family YMCA and Board of Directors, we would like to thank you for your support of the YMCA.

This past year has been a difficult year for all of us. We have invested heavily into ensuring your safety at our facility. We hope to return to normal as soon as possible and hope you will stay with us through this journey.

Every year the Y reviews its business plan, and with the support of the Board of Directors, we work to keep the rates low and offer financial assistance to all who qualify. There are times when we have to adjust our fees to account for the rising costs of doing business. **For 2021, the Y will be increasing membership by \$1 per month in each membership type.**

These rates went into effect for new members on January 1, 2021 and will go into effect for existing members on March 1, 2021. If the increase in our rates creates a financial hardship to you or your family, please give us a call immediately. We do not want to exclude anyone from the Y for financial reasons.

Thank you for your continued support and understanding, and we look forward to serving you to the best of our ability in 2021.

Sincerely,

Luis De La Garza
